

~1.

The JustUs that the Light Wizzard is Unfolding is an Old Story,  
its His Story,  
and has not changed from the beginning of Time,  
which is a Human Reference for Recorded History,  
so its important that yew understand how yewer History was  
Changed,  
so yew will know His Story.

~2.

We have talked about how the Descendant's of Cain,  
have taken Control,  
but how they Stay in Control is more of a Question of yewer Freewill,  
and once the Darkside takes over,  
Freewill is Lost,  
and Free Dumb slowly replaces a System of Government,  
till one day it has no resemblance of what it Started out as,  
and the United States Government is a good example of how this  
happened...

The Founding Fathers of the United States of America:  
George Washington, John Adams, Thomas Jefferson, Benjamin  
Franklin, and others,  
some Freemasons,  
but most supported Freemasonry,  
and most where also Ashkenazic Aspies,  
who Founded the Nation of the United States of America under a  
System of Government called a Republic,  
based on Greek and Roman Governments,  
although the Greek Government was known as Communism,  
not to be confused with a Dictatorship,  
which was the Form of Government that Russia and other Countries  
that Claimed to have been a Communist Country had,  
but in fact had Leaders,  
and had no Resemblance of a Communistic form of Government,  
the Roman Government embodied all the founding principals of  
Communism,  
which meant that it was Ruled by the People,  
and then incorporated other principals,  
like the use of Money, which was the Dominate from of Commerce at  
the Time,  
so this system was named a Republic,

but in less than 90 years it became a Dictatorship itself,  
which is why it has no resemblance of the form of Government the  
United States has today,  
so instead of a Republic the United States is now a Dictatorship,  
since the President works for the Bank that is owned by a very small  
group or even one person,  
and is the same form of Government that the War of Independence  
fought against,  
which was a Government ran by the Bankers,  
and Controlled by one Person,  
who no one ever knew who that person was,  
only that they Controlled the Banks,  
so became known only as the "Powers that Be".

~3.

Freemasonry was the Corner Stone of Knowledge,  
and was not a Closed Secret Society,  
as it is now a Days,  
its information was Open to all that wanted to know it,  
and meet in Public places,  
and not all People had to be Members to meet with them,  
it had one requirement,  
that In GOD We Trust,  
and interesting note is that if you turn the "W" upside down it Spells  
Me,  
which is short for Meat,  
meaning the Flesh...  
meaning that the Flesh Beings Trust GOD.  
Spells are a Wizards way of telling yew things,  
and they were very clear about what GOD they were referring to,  
the GOD of Light,  
because they were the Enlightened,  
which meant they had the Light in them,  
and the Light is what the Light Wizzard speaks of,  
its the Energy of the Universe,  
its our very SOUL,  
and its what allows us to Communicate with GOD.

~4.

On 1 May 1863,  
the Powers that Be took over all Freemasonry,

this Day was known as May Day,  
they already took over the Government at this Point,  
and then they had no resistance in taking over this whole Country,  
and the Republic fell,  
and the Bankers took over again,  
just like they did in Europe,  
so the old form of Government took over,  
the Dictatorship of the Powers that Be,  
so everything that our Founding Fathers warned us about became  
True,  
if yew allow Christians to take Office,  
and allow People to Vote to Amend the Constitution,  
the Darkside will take over,  
and yew will become Slaves to the very Powers that we Fought  
against for Our Freedom.

~5.

Everyone that every swore an Oath to defend the Constitution of the  
United States of America,  
and did not do so,  
are Liable for Treason...

So for my part in Defending it:

I do solemnly swear that all Government Officials since 1863,  
are Guilty of Treason under the Articles of the Constitution of the  
United States of America,

only Congress has the Right to Coin Money,  
and its Treason for allowing the Banks to Coin Money,  
thus giving Ownership of the United States to the Banks,  
which said Bank is a Privately Owned Foreign entity,  
For taking away our Charters, abolishing our most valuable Laws,  
and altering fundamentally the Forms of our Governments,  
The United States shall guarantee to every State in this Union a  
Republican Form of Government,  
it does not say a Democratic Form, but a Republican Form of  
Government,

A well regulated Militia, being necessary to the security of a free  
State, the right of the people to keep and bear Arms, shall not be  
infringed,

it is clear that the Form of Government has been changed to a  
Dictatorship,  
since the Banks now own and operate the United States,

under Laws passed by a Treasonous Government,  
and the Citizens Rights to Keep and Bear Arms has been infringed  
upon,  
so under the Rights afforded to all Citizens of the United States of  
America who took an Oath or Affirmation to preserve, protect and  
defend the Constitution of the United States,  
I declare this Government is in Direct Violation of the Constitution of  
the United States of America,  
and demand that the Constitution of the United States of America be  
reenacted,  
and all Laws, Rules and Regulations that destroyed this Government,  
be made Null and Void,  
and that all Banking Debt be wiped from the Books,  
and all ties to the Banks be broken,  
and all such institutes be removed from its soil and banned from  
returning,  
and the Republic that this Country was funded under be restored.

~6.

The History of the United States Government since 1863 is Criminal,  
and all War Crimes will be Persecuted,  
and all Government Officials found Guilty of Treason will be dealt  
with appropriately under the Laws of the Land prior to 1863,  
and all Laws of the Land,  
and Treatise,  
be restored to the Fundamental Form of Government this Country  
was Founded under.

~7.

This is a Legal Declaration of Intent to restore the Republic of the  
United States of America,  
and it is further more Declared that All Courts in this Land be  
Declared Unlawful,  
and all Judges and Officials are hereby notified that they are under  
Arrest for Treason,  
and other Crimes against the Constitution of the United States of  
America,  
therefore I can not tender this Declaration of Intent under the  
current Unlawful and Criminal Administration,  
without it being turned against me for the crime of Terrorism.

~8.

The Constitution of the United States of America allows for this type of Declaration of Intent, and under provisions of the laws prior to 1863, this constitutes a Legal Binding Document of all Criminal Activity of the Darkside, and as such, the Darkside will ignore this Declaration, since they are Above all such Laws, since they Voided the Constitution of the United States of America in 1863, when the Darkside took over, which proves that there is no longer any Justice in this Country, and that the Current Satanic grip the Darkside has on this World, is complete, and all Laws are Written to Protect the Darkside, as to allow them to continue to do Evil things, and I will now point out what Evil things this Government is about to unleash on its Citizenship.

~9.

The Light Wizzard in the Flesh, will now define JustUs, from the Viewpoint of the Lightside in Terms the Darkside can understand.

~10.

Once the Truth about the Darkside is known, as it is now that this Document is Released to the Public, the Darkside will have to use Counter Measures, that include Killing most of its Slaves, and Killing those that are Responsible for Disclosing its Crimes against Humanity, and then they will Destroy all such Documentation and rewrite History to Cover this up, they have done this for every War every Waged, so this War is Coming soon to a Theater near Yew.

~11.

Current Plans include but are not limited too:  
Chemical Warfare,

Natural Disasters,  
and War of all types,  
even ones they call Civil.

~12.

Chemical Warfare includes Deadly Vaccines,  
which they will make Mandatory,  
they may be Genetic or Viral Based Weapons of Mass Destruction,  
and can also be delivered via Food, Water and Air Supplies.

~13.

Natural Disasters include Solar Flares,  
where Power is turned off for Months,  
till the Population can be brought under control,  
and may require the use of Chemical Weapons as well,  
then they can Blame God for the Solar Flares and Plague that Kills  
90% of the Population of the World.

~14.

The War may start in a Country such as Iran,  
then all Military Personal will be deployed overseas,  
leaving no troops to defend this Country,  
so Home Land Security will hire foreign troops,  
and have already passed legislation that allows them to engage its  
Citizens with Deadly Force.

~15.

This may one day come to pass,  
if yew allow it too...  
The Darkside has been planing this for years,  
and will first Collapse the Monetary Systems of the World,  
and Banks will shut down,  
this will cause Civil War,  
and will make it all to easy to wipe out their Slaves,  
thus the New World Order will now be in control.

~16.

Prisons are already in place in every Major City in the United States,  
and local Law Enforcement has been Trained to deal with situations  
like this,  
so they have made plans for every contingencies I can think of,

so the only way to fight this War,  
is for every Person on this Planet to take control back before this  
takes place,  
and not allow the Governments to execute their Plans.

~17.

To be very Clear,  
the Ashkenazi Bankers as well as the Nazi War Lords are still in  
Charge,  
and this is the 4th Reich,  
which is the Total take over of this World,  
and its almost completely completed,  
and there is little that will deter them from executing their plan.

~18.

This plan will most likely be executed in December 2012,  
which was a few years ago, so its way overdue now,  
and the Sheeple of this World are too Stupid to understand what is  
happening,  
their Monetary System Collapse will make them Mad,  
and they will not listen to reason,  
Sanctuary is the only Program that can save this World,  
but Most Sheeple are Lazy, Stupid and Ignorant,  
and that is a Fact,  
they believe that they have no Control over anything,  
and demand that the Government take care of them,  
for they are just Frightened little Children,  
and trust their Government,  
and only believe in what that Government tells them to believe,  
so its a lost cause to try to save Humanity from itself.

~19.

The Constitution of the United States of America,  
demands that its Citizenship defend this Document with their last  
breath,  
and that means against Enemies both Foreign and Domestic,  
yet they allowed it to become null and void,  
and might as well Smoke the Hemp it was Written on,  
since it has no meaning,  
and has not been in use since 1863,  
when the Bankers took over this Country,

and made Slaves of its Citizenship,  
then its Citizens became Sheeple,  
and turned every last one of them into Cowards,  
that would not stand up for Freedom,  
so they Lie to Themselves as well as Others,  
and Pretend they Live in the Home of the Free and the Brave,  
when in Fact they are Evil in the Home of the Slaves and the  
Cowards,  
some Pretend to be Patriots,  
when all they are is Parrots,  
repeating the same thing the other Cowards do.

~20.

So that said...  
To say the least,  
Justice is a Dish best Served Cold,  
Civil War is not going to get yew Justice,  
and Taking back this Country is a waist of time,  
yew lost it in less then 90 Years,  
which was just long enough for the Founding Fathers to all Die off,  
then all yew had left were a bunch of Power Hungry Cowards,  
who sold out their own Country for a Credit Card,  
so what the Light Wizzard is telling yew,  
is not to go to War with yewer own Country,  
Do Not take part in a Civil War,  
and do not try to Take back the Constitution,  
it did not mean enough to yewer Parents or theirs,  
so why Fight for it now?  
There is no Justice,  
only JustUs,  
or Just Yew,  
or Jew for Short,  
because that is all that is left after thousands of years of  
interbreeding,  
so Darwin was Right,  
Evolution is taking place,  
and that Evolution wants a Revolution,  
but they are the Problem with this World,  
and they do not know what the Answer is,  
so they Protest about this and that and the Other Thing,  
and call yew Anti-American for bringing up Facts like I just did,

because most of yew in America believe they have the best  
Government in the World,  
because they Believe this Country is Free,  
even though it has most of its Citizens locked up in Prison,  
and they actually believe that the Constitution was Legally Amended  
to allow the Right to Vote for Amendments,  
which made it possible for the Banks to Own it,  
and yew think that is an Amendment,  
when in fact its the End of it,  
so what is the Point in trying to explain the Truth to a bunch of Brian  
Dead Animals,  
because that is what Yew are,  
nothing but Female Sheep...  
There is only 1 Option for those that want to Live in Freedom, I call it  
Sanctuary...  
So this is why there is No Justice and only JustUs,  
and How do I know this?

~21.

IAM the Light,  
IAM the Darkness,  
IAM every shade of Grey in between.  
IAM the Light Wizzard in the Flesh.
